# What is Support Coordination?

## SUPPORT COORDINATION & THE NDIS

Support Coordination is a capacity building support that is design to help you make the most of your NDIS Plan by connecting you with NDIS providers and services to help you achieve your goals. It also assists you to build you confience and skills to use and coordinate your supports.

Our team of experienced Coordinators of Support (COS) are here to help you engage supports & services that work for you.

Support Coordination can help you to:

- Understand your NDIS Plan
- Find, choose & connect with new NDIS Providers
- Put your plan into action as you pursue your goals

Helping you put your NDIS Plan into action

# How is it funded?

## SUPPORT COORDINATION & THE NDIS

Support Coordination, also referred to as coordination of supports, is funded for NDIS participant's who have the **Assistance In Coordinating Or Managing Life Stages, Transitions And Supports** budget category included in their NDIS Plan.

**There are two types that may be funded under your NDIS Plan:**

- Support Coordination
- Specialist Support Coordination

## SUPPORT COORDINATION

**Assisting you to build the skills you need to understand and use your plan.**

A support coordinator will work with you to ensure a mix of supports are used to increase your capacity to maintain relationships, manage service delivery tasks, live more independently and be included in your community.

## SPECIALIST SUPPORT COORDINATION

**This is a higher level of support coordination.** It is designed for people whose situations are more complex and who need specialist support. A specialist Support Coordinator will assist you to manage challenges in your support environment and ensuring consistent delivery of service.

# Bringing people together.

## FINDING THE RIGHT SUPPORTS FOR ME.

From finding the right home to connecting with people and activities that interest you in your community, we've got you covered.

Our **Coordinators of Support** will assist with the implementation of supports in your NDIS plan – including a mix of formal, mainstream and community supports.

We also endeavour to strengthen and enhance the Participant's abilities to coordinate and implement supports and to participate more fully in the community.

# Connecting you with your community.

## THE CCLO LIVING DIFFERENCE.

As a leading NDIS Provider on the Central Coast for over 25 years, we're dedicated to providing you with the highest quality supports. From finding the right support team to keeping your loved ones involved, feeling like part of the community and CCLO Living family is all part of the experience we aim to foster.

Our team is committed to offering innovative experiences through **Community Participation supports** so you can participate in activities in your local community and beyond (including supported holidays, trips to attend family functions, and more).

At our supported accommodation residences, we also love to celebrate all of life's moments from birthdays to Christmas celebrations (we even have a street party at Boyce Village!). If your loved ones can't attend a celebration in person, we also leverage technology via virtual meetings to bring everyone together.

**There's lots to do and explore across the Central Coast and beyond!**
